WHO WE ARE

The best things in life are not things, they are experience at Al Ibdaa General Trading LLC we create experience.

We're a family run business who cares. Our customers are always at the forefront of our minds. We've taken our years of experience in the hospitality industry and shaped it into an enterprise that actively listens to our clients and understands the needs and desires of your guests. Your guests' experience is important to us.

Established in 2008, and is keen since its inception to be one of the leading companies on the level of the state and the region in this area, and move forward firmly in line with the future vision of the United Arab Emirates in its development and renaissance by establishing joint expansion to the highest standards of quality and commitment to provide innovative and creative product design.
